

Calgary Hook and Hackle Club 2008 Fall Fishout

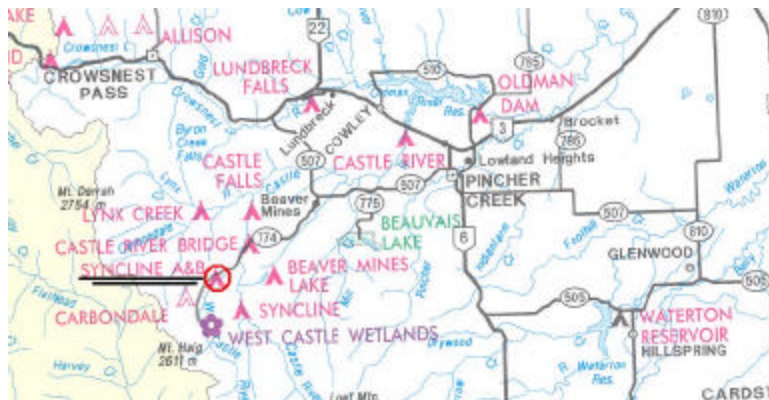

- When:** Thursday, September 18th thru Sunday, September 21th
- Where:** Syncline "A" Group Camp (Southwest of Pincher Creek)
Map and directions attached
- Cost:** \$10 per person (covers camping, firewood and BBQ what a deal!!)
PAYMENT WILL BE REQUIRED BY SEPTEMBER 10th (first club meeting in the fall)

For those who have not participated in the Fall Fishout before this area boasts some of the best flyfishing (both stream and stillwater) this province has to offer. The campground is situated on the banks of the West Castle River a short distance upstream of the confluence with the South Castle. There are numerous other rivers and streams within a 30-minute drive, including the Crowsnest, Castle and Carbondale rivers as well as countless smaller creeks. For the lake fishers Beaver Mines, Beauvais, and Lee Lakes are also less than a half-hour drive away.

The club will be hosting a steak BBQ with all the trimmings on Saturday night.

There are no services at the campground, however it is equipped with a great shelter in which we can all gather around the camp fire to swap tales of the day's fishing.....
