

## Fisheries Management Round Table

Dear Round Table Participants:

Attached is a copy of the notes from the April 16, 2011 meeting of the Alberta Fisheries Management Round Table. Apologies for the delay in getting these complete and sent out. The notes will also be posted on the website at:

I'd like to take this opportunity to let you all know that Travis Ripley was the successful applicant for the position of Executive Director of the Fisheries Management Branch. Travis started in his new position on May 30, 2011. Travis can be reached at (780) 427-5185 or [Travis.Ripley@gov.ab.ca](mailto:Travis.Ripley@gov.ab.ca). I know you join me in wishing Travis the best in his new role and look forward to working with him in his new capacity as branch director (and my boss!). I enjoyed the time spent as Acting Director, working with the Round Table, and getting immersed in fisheries management issues. For me, it's back to my previous job in the Division.

Thanks for your support and continued involvement in conservation of Alberta's fisheries resources. Enjoy the rest of your summer. See you in October.
