

Hello all.

Well another summer which we haven't had yet has come and gone leaving us with golden brown leaves and chilly nights. The summer as it was did bring together a few club members at various places such as Hog Park, Beaver Lake and just to name a few. Doug Ham had invited me on a float first up the Bow then down and it was fantastic and I do appreciate it Doug and thank you and yes it was only a 20" brown.

The Fall Fish out was a success with the die hard members attending. For those that didn't get out rain, snow, rain and rain but no one stayed around the camp to sulk every one went fishing even if it was slow. Again thank you all that attended and a special thanks to Rick Mosses for organizing and to all that helped. To Ed Ramsey who has set the mark for pancakes, what are you doing Sunday morning Ed my grand children love pancakes.

Just a few things every one should know, Christmas Party tickets are on sale so please get them will they are hot from Louise and also raffle tickets there are at least 5 great prizes to win.

Beginner fly tying starts October 13 that is the second Wednesday of October and along with knot tying.

October 27 is our guest speaker night Phil Rowley so please do not bring your fly tying stuff.

Ironman Tournament is October 16 and please visit the web site and watch for further emails for more information.

If any one finds a grey water proof fly box lost on the Castle River with all my dries it is mine, a reward of the finest Irish Whiskey is available.

Well that's about it for now see you all at the next meeting, please pick up you name tags also from me and any one that does not receive emails from me contact me via the web site presidents email.

One last thing you probably received an email from Carl Anderson regarding the Hockey Pool please submit a team it is fun and the flies go to a good cause thanks Carl.

One last thing a big thank you to Doug Hamm who I assisted in upgrading the clubs barbecue it works great.

Your President and friend I hope
Daniel Young
