

Hello All.

Well we are getting close to the end of the year and the Christmas Party. We have just finished our last club's event that being the Ironman Tournament and if you are not aware Dave Curtis did crush all his competition the only sad thing about that was that Mark was unable to catch his share for he was the one netting Dave's fish. It was a great time and my first Iron Man and I do not think I will miss another one. If you have never taken part in any of the club's events you are missing something special. The events are truly fantastic and are great avenues to meet and enjoy the friendship that our club has to offer.

Our Special Quest Committee did a fantastic job bringing in Phil Rowley again a special thanks to Ken. We had great attendance both from the club and other interested people. Phil did a great job and really did keep the interest of some of our river fishers with techniques and tips. Phil tied 4 flies which will be up for auction at our yearly auction. As for our Auction we are in need of a few volunteers so if you are interested please get in touch with me.

Our Christmas Party is only a month away and we are having it catered at a very nice restaurant so if you have not got your tickets please get them ASAP, it will allow the Christmas Committee time to get gifts and such. Along with the party we have a raffle so please grab those also.

We will have 2 events in the New Year. The Fly Fishing Show and the Sportsman show. I will be putting out a volunteer list at our next meetings to get volunteers for the Fly Fishing Show first.

I have truly enjoyed myself as your President this year; the executive will continue to represent you and the club in the best possible manner. We though however need your feed back and volunteers to help out with our activities which will make our club stronger.

I finally caught a fish on the San Juan Worm this past Thursday on a float with Rick Moses; it was a juicy 20" Rainbow so now the jinx is off.

Daniel Young
