

Hello everyone and as I write this there are only 4 sleeps till Santa magically slips down your chimney and leaves you well only if you have been nice a present, if not a clump of coal.

Yes time has gone by so fast this year and thanks to hard drives and memory sticks I have it all down in writing. In my second year as your president it was a whole lot easier than the first and I owe that to my executive who work very hard at organizing and assisting me and I thank you so very much. We have a few surprises for you in the new year and yes it is pretty much the same thing, Fly Fishing Show, Sportsman Show, AGM and open house but we have booked 2 great quest speakers and I will give you more info as a Christmas Present later and remember the first meeting in the new year is a wine and cheese meeting.

I had told you that Louise, Robert and I did 2 floats on the Missouri in August and I would very much like to go back and try it again. We will be asking for any one that would like to go there next year to sign up for a group fishing trip. Again we will supply you with more info regarding this trip.

Christmas is such a great time and so many people need help if you find it in your heart please help the less fortunate.

From my family to yours a blessed Christmas and safe and happy New Year
