

Hook & Hackle Club 2019 Summer Fishout

Thursday August 22nd to Sunday August 25th

Where: Wyndham Carseland Provincial Park **Group A Campground** (hopefully the gate will be open by noon on the Thursday).

Cost: \$10 per person per night (includes camping fees & Saturday burger/hot dog dinner)

Directions:

From Calgary:

- Take Highway 22X east towards Carseland
- At the 4 way stop go right (south) on Highway 24
- At the next 4 way stop follow the highway to the left (east)
- After crossing over the Bow River look for signs for Wyndham Carseland Provincial Park
- Turn **LEFT** opposite main campground entrance. There is a small sign once you've made the turn for Wyndham Carseland Group.
- Go 1.5km to sign for Group campground. Turn left (N50.82301° W113.40384°) then take the first right into Group A

There is non-potable water at the group campground but if you need potable water you will have to go into the main public campground. There is a dump station at the very west end but I believe you have to pay. There are groceries, gas & a liquor store in Carseland. I believe there is also a fast food/ice cream concession in the main campground day use area at the west end.

There is no power at the group camp but should be cell reception.

There is good walk & wade fishing near the campground & we will try to get as many members on a float as possible.

WE NEED BOATS! IF YOU CAN BEG, BORROW OR STEAL A DRIFT BOAT THAT WOULD BE GREAT!

We will also need about 2 volunteers per day to help shuttle vehicles.

For more info please contact Phil Handcock, (403) 540-5108, handcocp@telus.net
